

# Expand the Use of Electronic Commerce between DoD and It's Suppliers by Reducing Contractor Registration Cycle Time

**Source: JECPO**

**DRO 2000 CD: Chapter 1.01**

# Increase the Number of Electronic Documents and Electronic Data Access Users by Providing the Capability for Electronic Document Preparation and Distribution

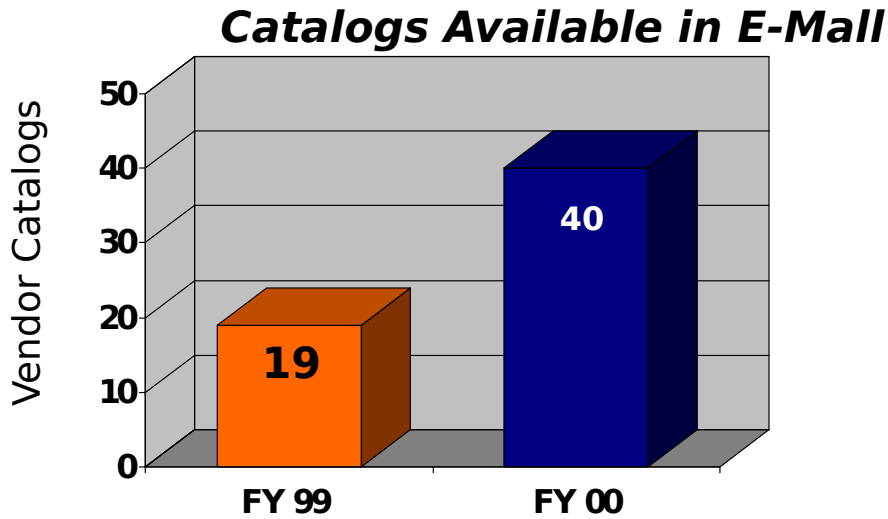

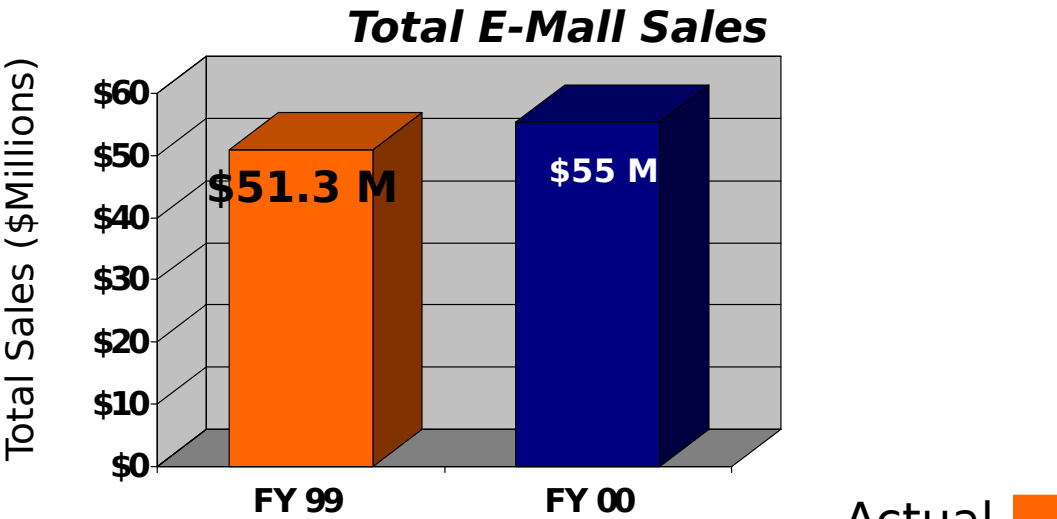

## Notes:

1) EDA is currently reducing the requirement for hard-copy contract files, GBL's and vouchers.

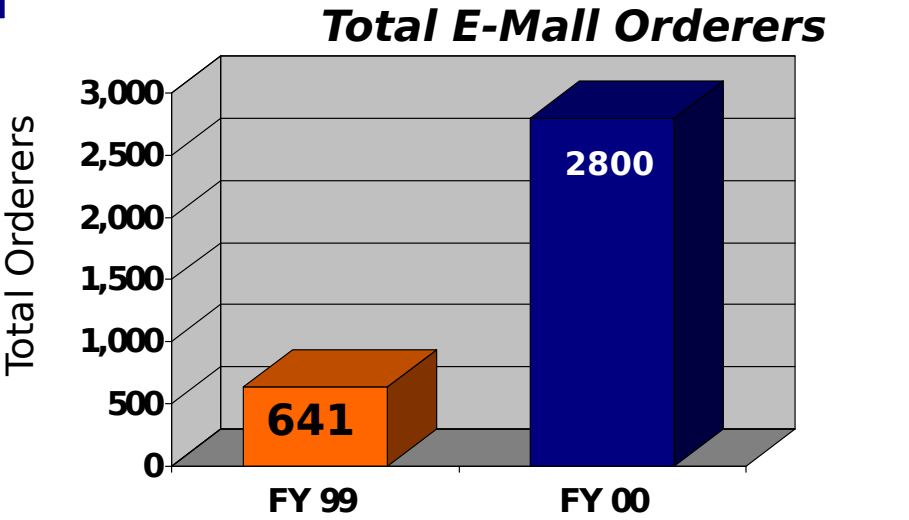

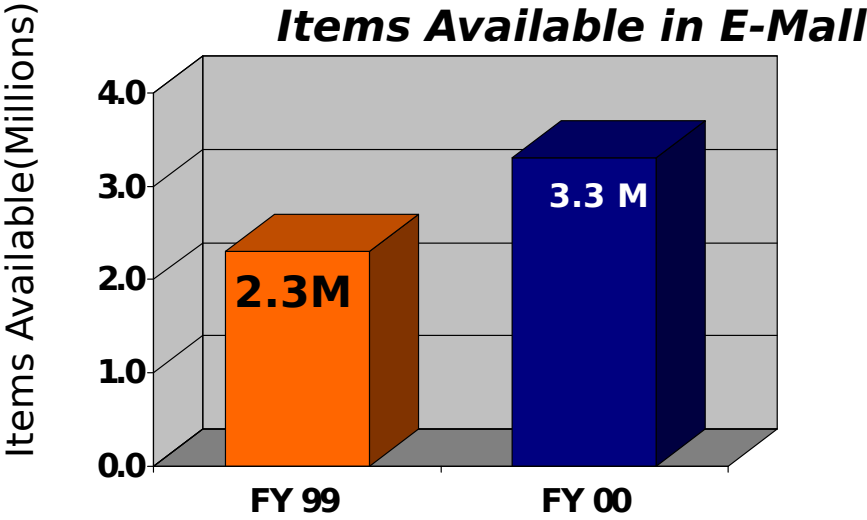

**Source: JECPO**

**DRO 2000 CD: Chapter 1.01**

# Increase Use of Electronic Commerce to Obtain Goods and Services

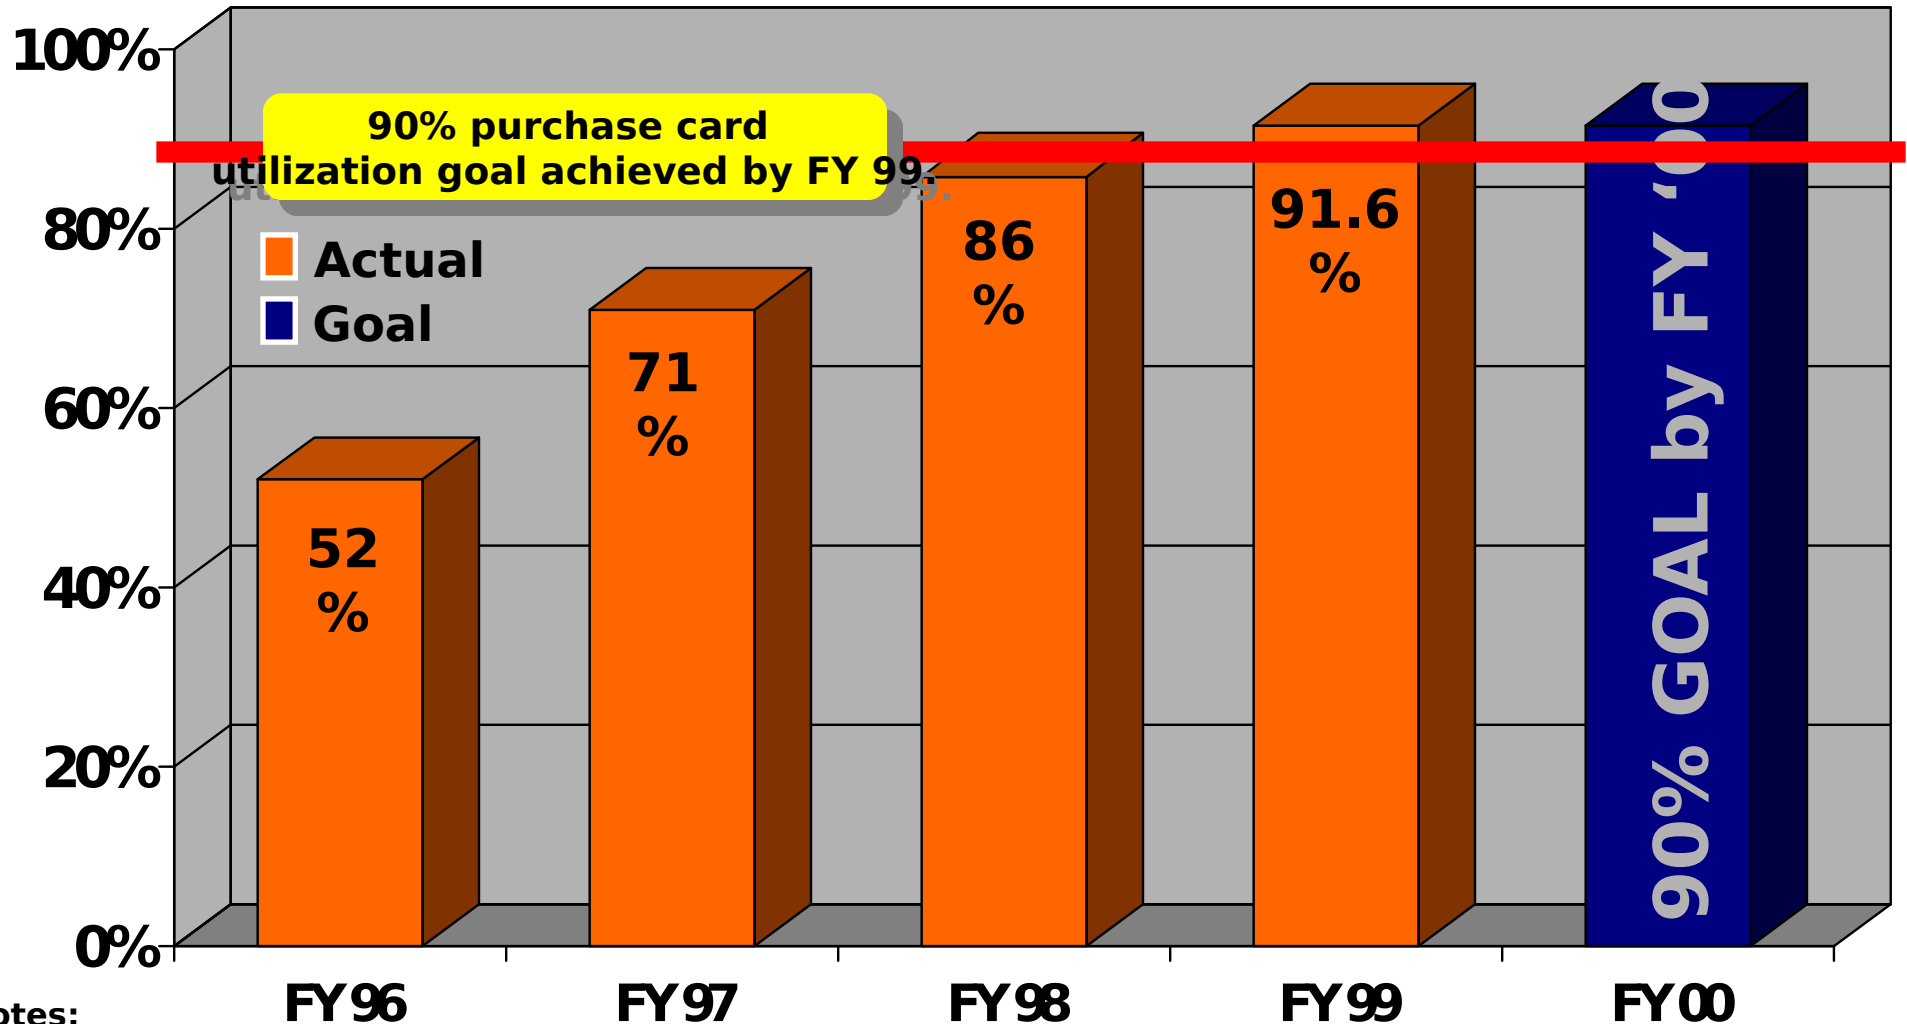

Actual ■  
Goal ■

# Reduce Workload by Achieving a 90% Purchase Card Utilization Rate

*Percentage of Total Micro-purchases Made Using the Purchase Card*

## Notes:

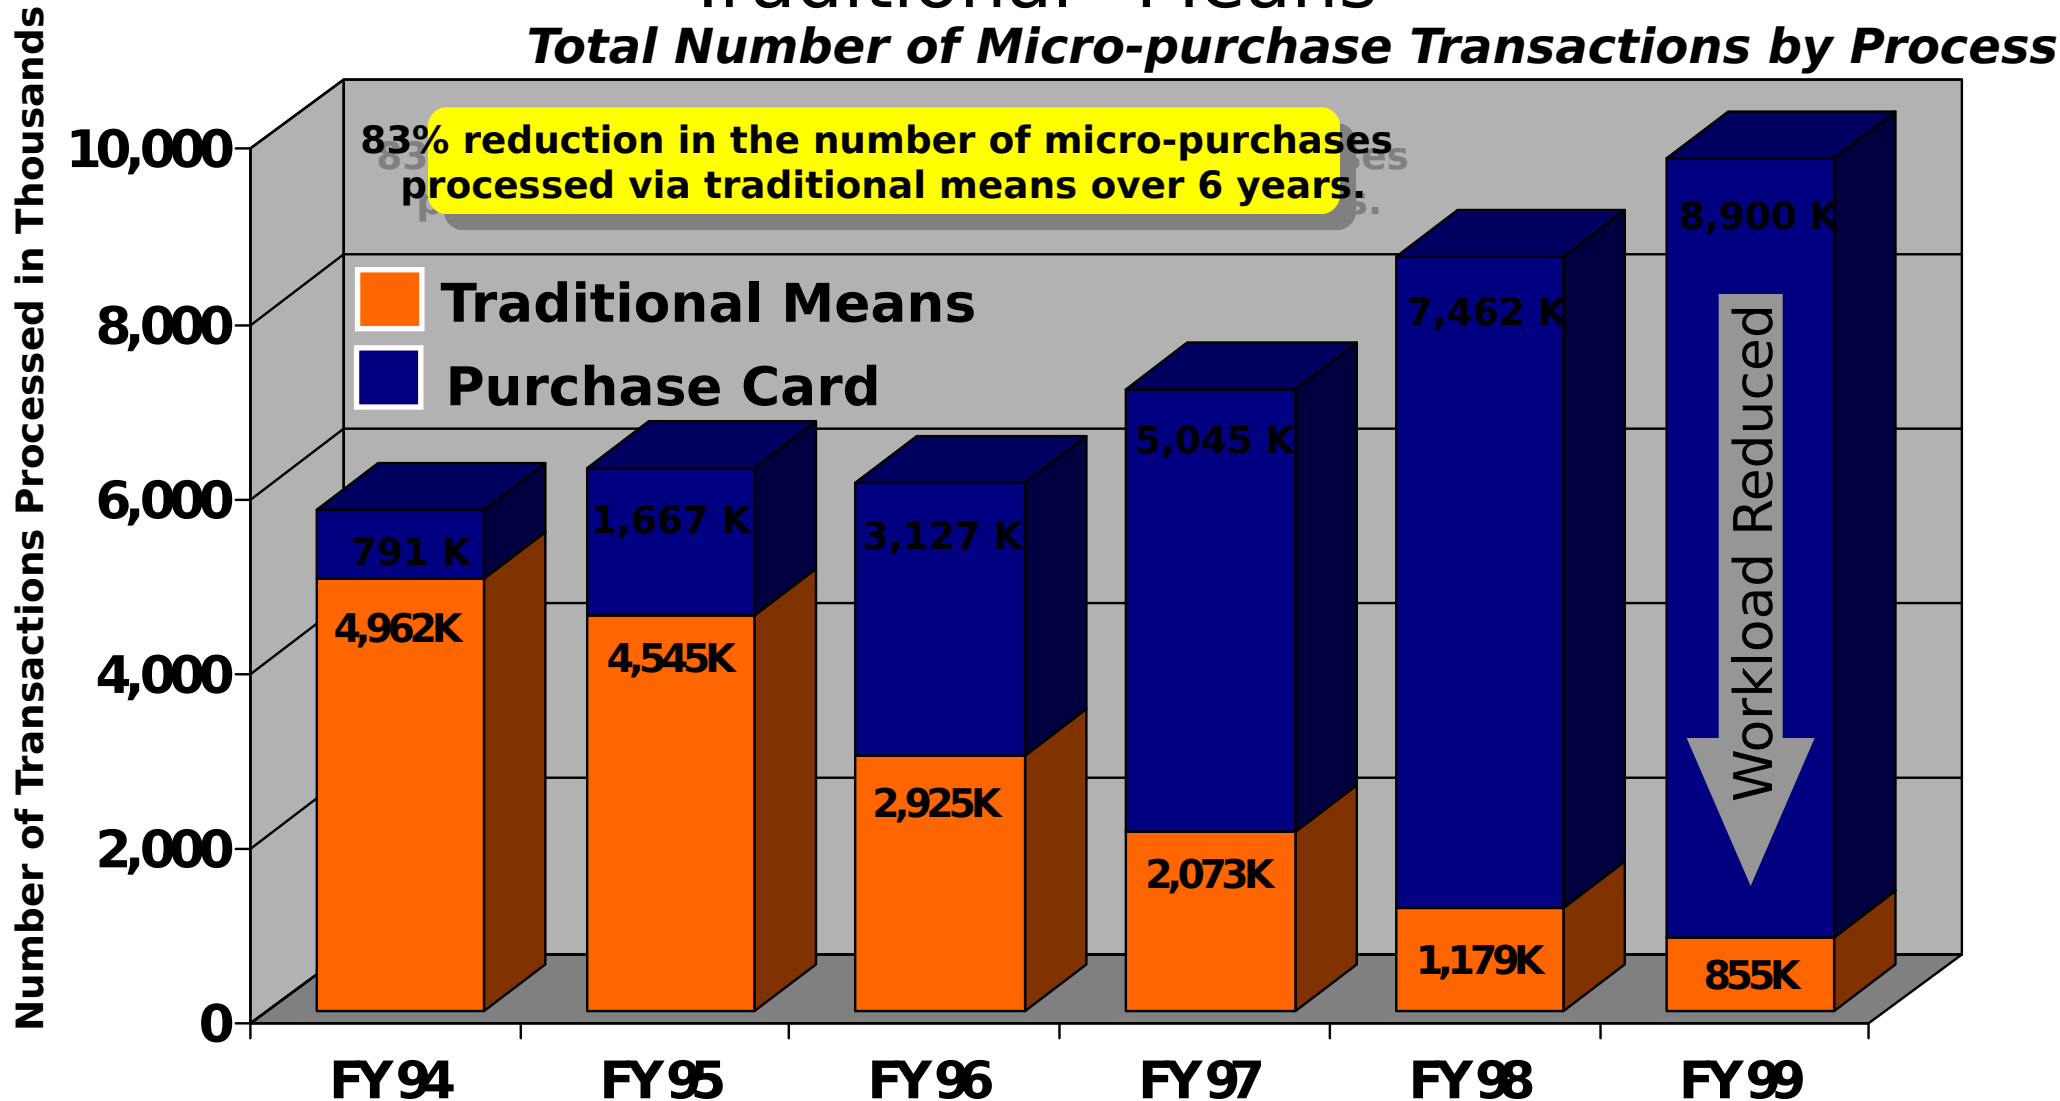

1) Micro-purchases are defined as goods & services below \$2,500 for which there is no underlying contract.

**Source: Purchase Card PMO**

**DRO 2000 CD: Chapter**

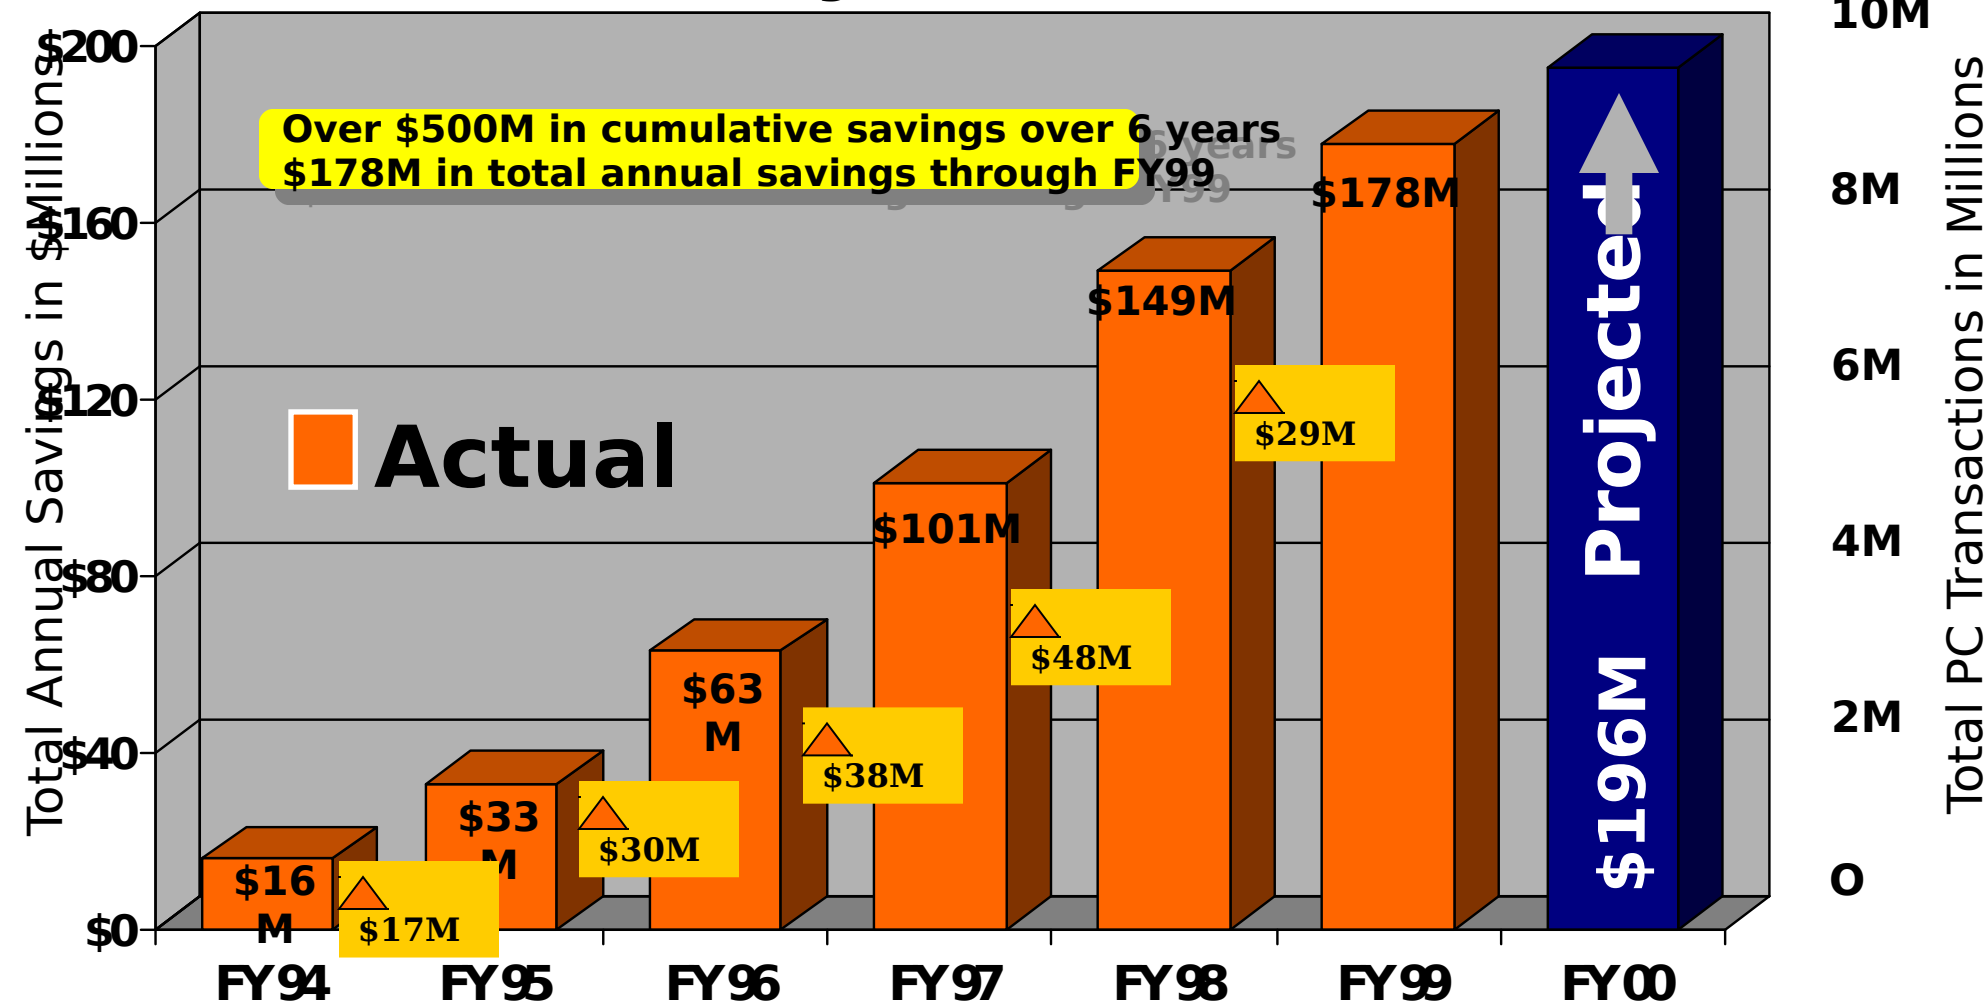

# Reduce Micro-purchase Transactions Processed via “Traditional” Means

***Total Number of Micro-purchase Transactions by Process***

# Administrative Cost Savings via Greater Purchase Card Usage

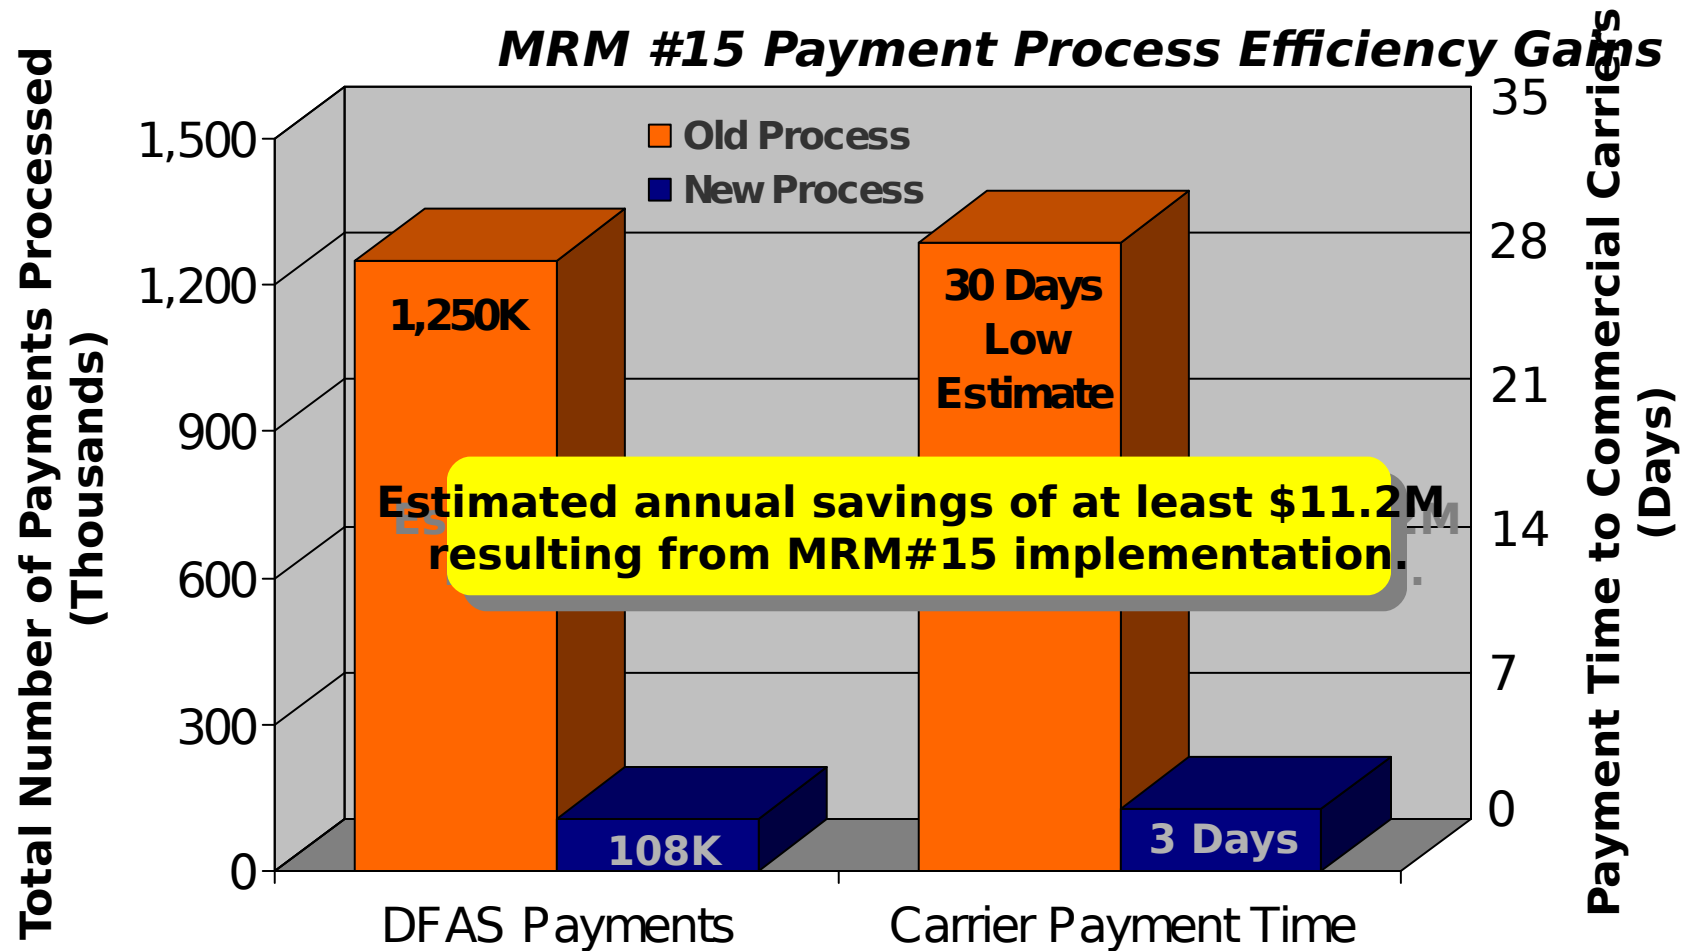

*Annual Savings Associated with Purchase Card Transactions*

**Notes:**

- 1) Purchase Card administrative savings based upon lowest published estimate of \$20 saved per transaction over traditional processing means.
- 2) FY 00 data projected from 1st Quarter data projected over full Fiscal Year.

# Improve DoD Transportation Documentation and Financial Processes

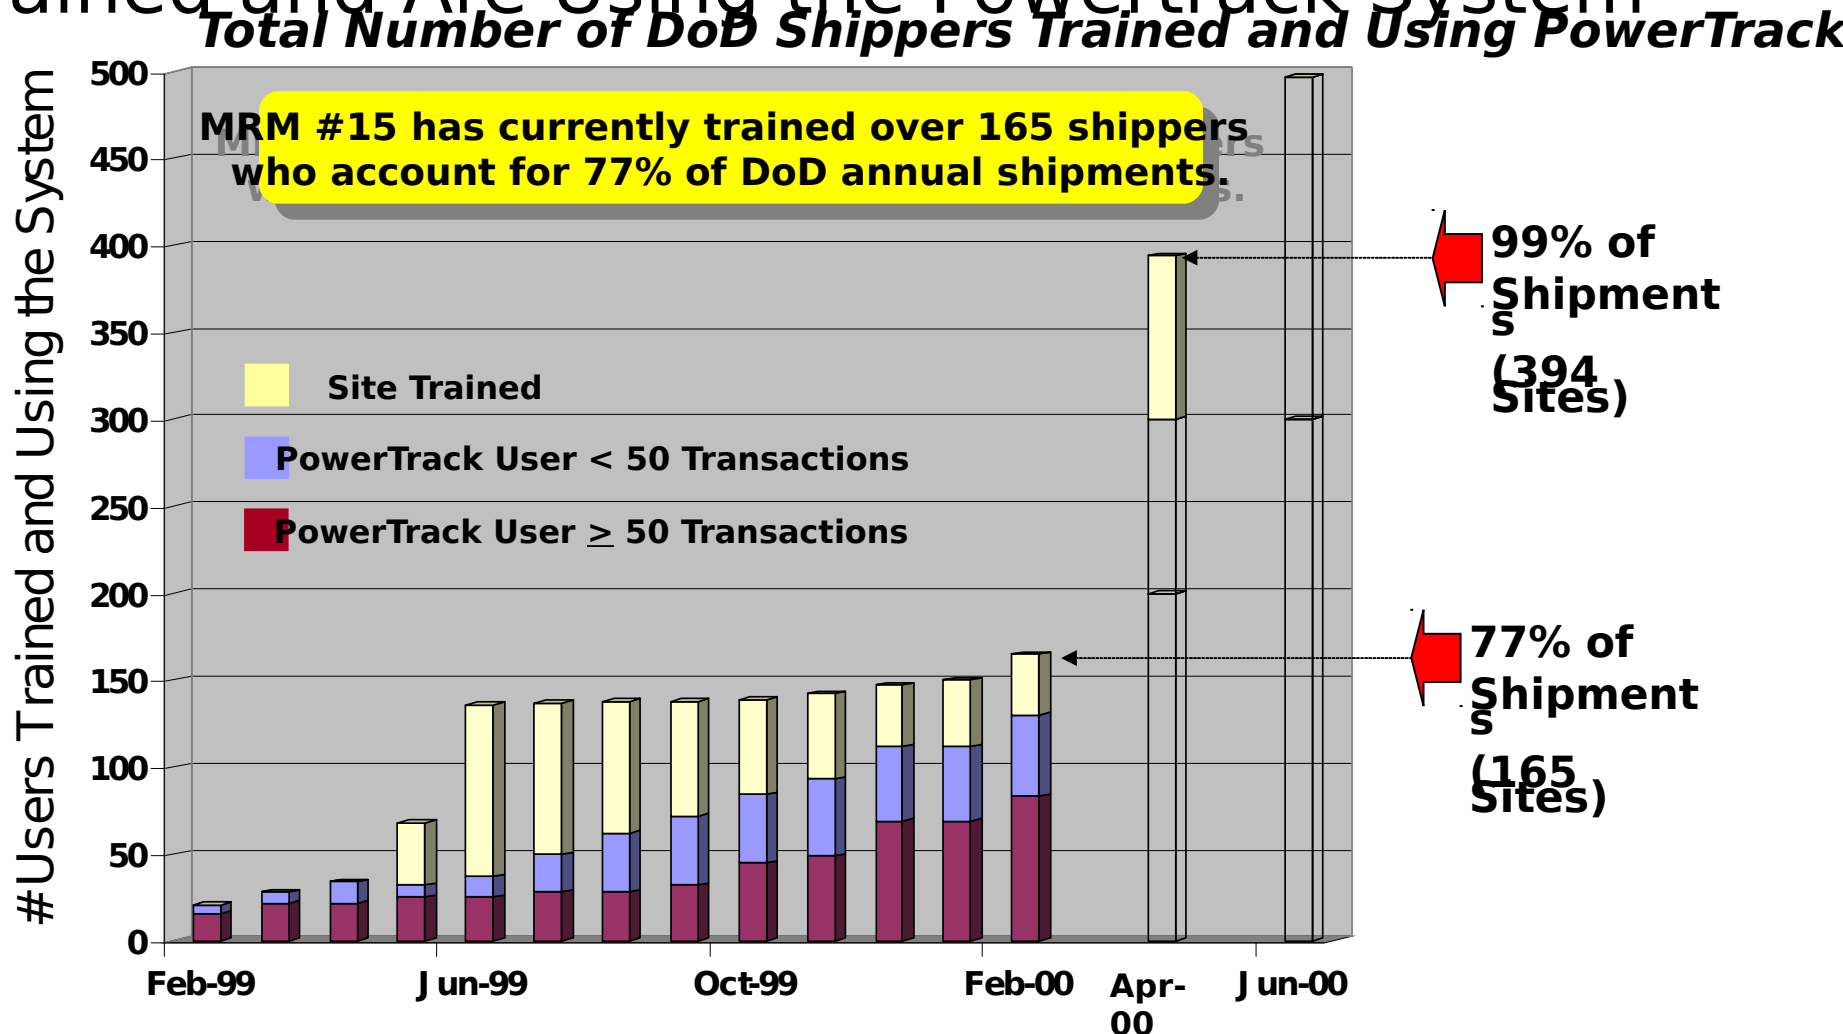

**Note:**  
1) Annual savings derived from electronic commerce efficiencies and reduction in DFAS processing workload.

**Source: MRM #15 PMO**

**DRO 2000 CD: Chapt**

# Increase the Number of DoD Shippers That Have Been

## Trained and Are Using the Powertrack System

**Note:**

1) Powertrack is US Bank's third-party payment system that DoD currently utilizes for the MRM #15 initiative.

**Source: MRM #15 PMO**

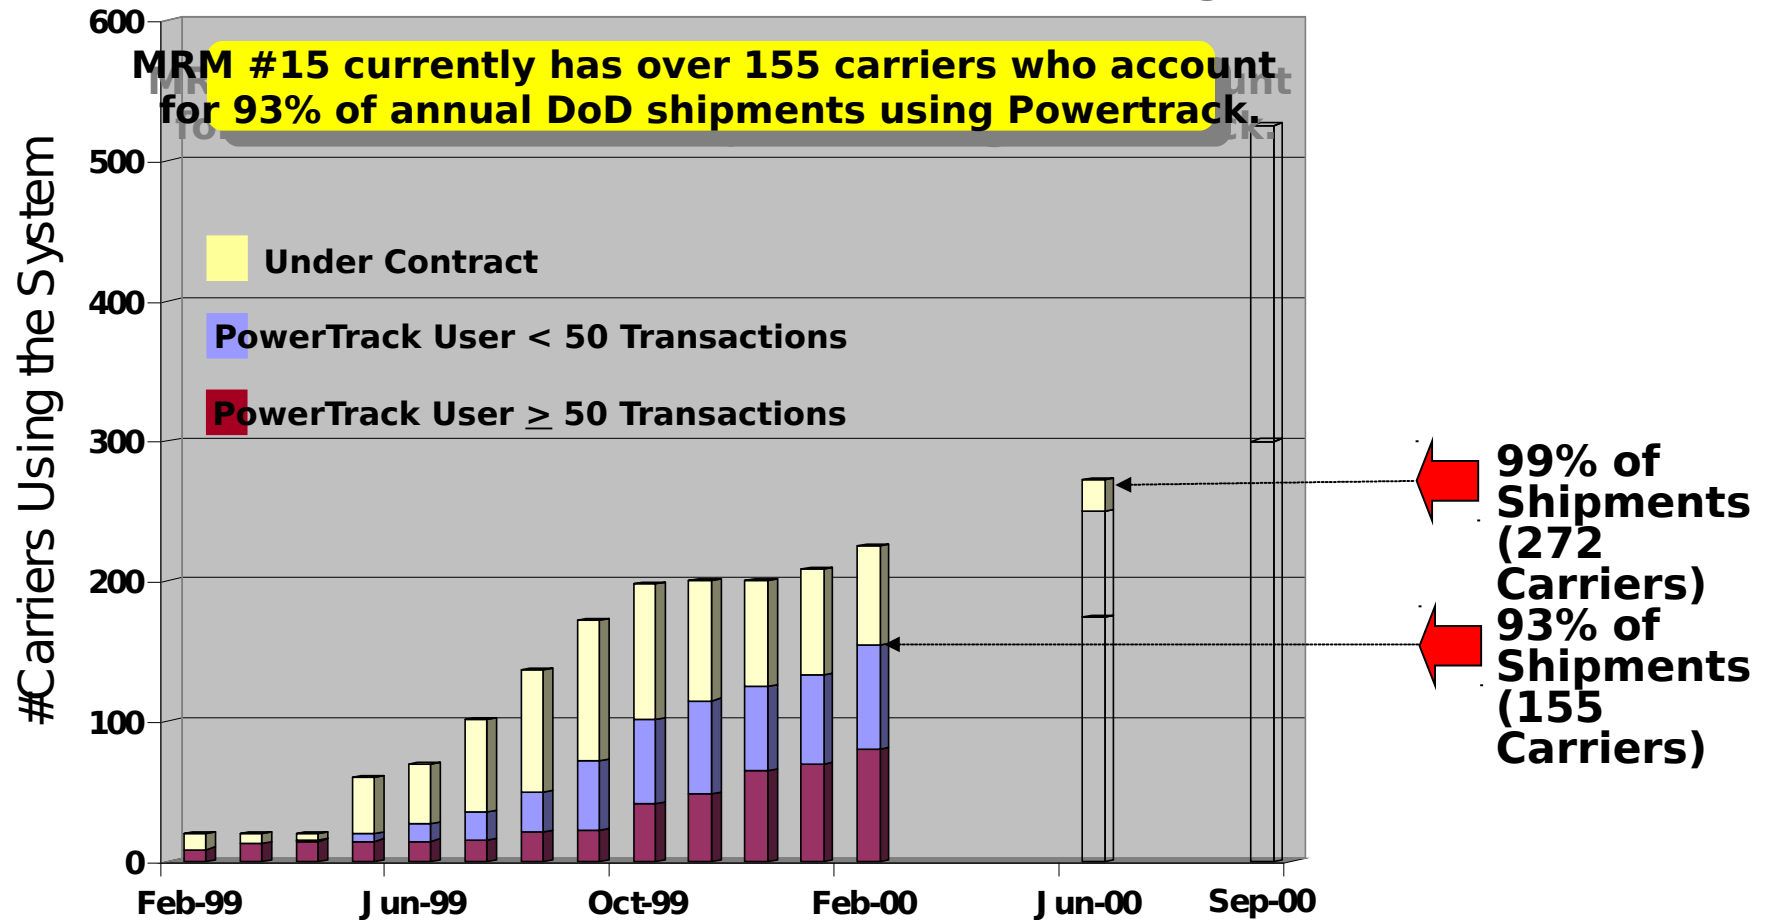

**DRO 2000 CD: Chapter**

# Increase the Number of DoD Carriers That Have Been

## Trained and Are Using the Powertrack System

### *Total Number of DoD Carriers Using PowerTrack*

#### Note:

1) Powertrack is US Bank's third-party payment system that DoD currently utilizes for the MRM #15 initiative.
